

# RELEASE OF GCE 'O' LEVEL RESULTS 13 JAN 2020

## JOINT ADMISSIONS EXERCISE (JAE)

# JOINT ADMISSIONS EXERCISE (JAE)

The JAE is conducted annually by the Ministry of Education (MOE) to allow holders of GCE O-Level certificate to apply for admission to courses offered by the Junior Colleges (JCs), Millennia Institute (MI), Polytechnics and Institute of Technical Education (ITE).

# JOINT ADMISSIONS EXERCISE (JAE)

All students successfully admitted to a school through the Direct School Admission-JC (**DSAJC**) Exercise / Polytechnic Early Admissions Exercise (**Poly EAE**) / ITE Early Admissions Exercise (**ITE EAE**) will not be able to participate in JAE.

Students will be informed of the school they have been admitted to under the DSA-JC/Poly EAE/ITE EAE together with the release of the GCE 'O' Level Examination results.

Unsuccessful DSA-JC/Poly EAE/ITE EAE students will be able to participate in JAE and they will receive JAE Form A containing courses that they are eligible to apply for.

# JOINT ADMISSIONS EXERCISE (JAE)

**Form A** contains the JAE PIN, GCE 'O' Level Examination results, Aggregate scores and the Eligible Courses of each student.

**Form J** shows the list of Nitec courses a student is eligible to apply for based on his/her GCE 'O' Level examination results. GCE 'O' students receiving the JAE Form A may also apply for Nitec courses.

# JOINT ADMISSIONS EXERCISE (JAE)

All applications for courses must be submitted online through the JAE-Internet System (**JAE-IS**).

You are required to key in your NRIC / FIN and **SingPass** or **JAE PIN** to gain access to the JAE-Internet System (**JAE-IS**).

The **JAE-IS** is accessible through the JAE website at [www.moe.gov.sg/admissions/joint-admissions-exercise](http://www.moe.gov.sg/admissions/joint-admissions-exercise)

# JOINT ADMISSIONS EXERCISE (JAE)

You are to complete the **JAE Worksheet** before accessing the **JAE-IS** to submit your application.

You are advised to make full use of the **12 choices**, where applicable.

# JOINT ADMISSION EXERCISE (JAE)

You are strongly advised to print and retain a copy of the Verification Slip after you have submitted your application online to confirm that your application is successful.

If not, you can log in again during the registration period to obtain your Verification Slip.

# JOINT ADMISSIONS EXERCISE (JAE)

In the event that you are not posted, please take part in the combined poly/ITE JAE appeals and consider a range of courses and institutions, including Higher Nitec courses at ITE.

Do consider accepting your “alternative posting” should you receive one at the end of JAE appeals.

# JOINT ADMISSIONS EXERCISE (JAE)

Accepting the “alternative posting” helps students to secure a place in a post-secondary education institution (PSEI); Students who wish to appeal for a transfer to another course or institution should approach the institution directly.

# JOINT ADMISSION EXERCISE (JAE)

The JAE 2020 registration will be held over a period of **5** calendar days, starting from **3.00 pm on 13 January 2020** to **4.00 pm on 17 January 2020**.

# JOINT ADMISSION EXERCISE (JAE)

PCs with internet access and printing facility will be made available for your use at Aroozoo Library to register for 2020 JAE between

**3 pm to 4 pm** on 13 January 2020 and

**9 am to 4 pm** daily on the remaining registration days.

# JOINT ADMISSION EXERCISE (JAE)

The posting results of the JAE application will be released on **Tuesday, 4 February 2020** through the following modes:

- JAE-IS, accessible through the JAE website at [www.moe.gov.sg/admissions/joint-admissions-exercise](http://www.moe.gov.sg/admissions/joint-admissions-exercise)
- SMS to your mobile number (if provided during the JAE registration)

# JC transfers after JAE

JC transfers after JAE should be guided by **L1R5 net aggregate scores** and the receiving JC's course **Cut-off Point (COP)**. This ensures that JAE remains fair, transparent and objective.

Students may appeal to MOE for a transfer on the basis of extenuating circumstances such as medical or special needs. Such circumstances will be reviewed on a case-by-case basis.

# JC transfers after JAE

Students who wish to appeal for a JC transfer on other grounds may submit their appeals to JCs directly, though they would likely be unsuccessful if they have not met JC's course COP in the JAS and do not present extenuating circumstances to merit a transfer.

The decision to transfer JCs should be made in consultation with the current JC. The current JC would be best placed to advise on student's learning needs, and we encourage parents to work with the JC to support the student.

# APPEAL FOR REVIEW OF RESULTS

All appeals must be submitted through the school.

A fee will be charged for an appeal to review the result for each subject:

The fee for an appeal to review the result of any subject is **\$112.35** per subject (inclusive of 7% GST)

Deadline : **Friday, 18 January 2020**
