

AESTHETICS DEPARTMENT

VISION

To develop passion for the Arts in all GESSians

MISSION

To provide opportunities for all GESSians to Appreciate, Contribute to, and Experience the Arts

Our very own student-painted Doodle Wall in the canteen

SIGNATURE PROGRAMMES

AESTHETICS WEEK

Students playing Kahoot Trivia during Aesthetics Week

Aesthetics Week, held at the end of Term 2, allows GESSians to experience and participate in various artforms. The Aesthetics Week programme helps generate school-wide interest in various facets of the arts, such as Dance, Drama, Music, Visual Arts and Literary Arts.

ART

A Sec 2 student expressing herself through her self-portrait

In Art, students explore artistic means of expressing themselves using a variety of media such as drawing, painting and digital photography. Beyond making art, students learn from artists and artworks through learning journeys to art exhibitions. During the Aesthetics Week, students also get the opportunity to showcase their artworks.

MUSIC

Sec 1 students performing their compositions in music lesson

In Music, students hone their musical skills through singing and playing of music instruments in an informal group setting. They get to create and perform their own compositions and pop song covers. Different talents are celebrated through public performances during Aesthetics Week and GESS Piano Competition.
